**EXPANSION NOTICE:**

SPRINGFIELD, MO (May 2<sup>nd</sup>, 2022) –Watson Metal Masters is pleased to announce that we are building a second tank fabrication shop. It is located on Highway 14 between Ozark and Sparta, MO. Weather permitting, it should be operational about the end of June 2022.

“We are excited for the opportunity to grow in the Ozark/Sparta community and as a team.” said Watson Metal Masters Inc. - President and Owner, Bill Schahuber. “It is a beautiful and brand-new shop built specifically for stainless steel tank fabrication; it will allow us to continue quality service to our customers by bettering our lead times and expanding our workforce.”

If you are interested in applying for a position, please apply online at [WatsonMetalMasters.com](http://WatsonMetalMasters.com) or in person at the Watson shop in Springfield. Your interview and weld/grind tests are strictly confidential.

**About Watson Metal Masters, Inc.**

WATSON METAL MASTERS, INC. custom fabricates and repairs stainless steel tanks and vessels at our manufacturing facilities, headquartered in Springfield Missouri. For over 25 years, Watson Metal Masters is recognized as a world-class and high-quality stainless steel tank fabricator.
